MESSAGES FROM REVEREND TONY

Hello my friends,

We continue to flourish and bless our new home with overflowing gratitude for the leadership and volunteer construction crew!

Last week we talked about prosperity and the process of creating it. This week Reverend Merry Ann Friend, Associate Minister blesses us by sharing her message; "A talk about the navigation of ever-changing life. A talk about our mission, should we choose it. A talk about peace. A talk about the meaning of our existence. A talk about death and the path of our acceptance"

Hold on for the ride and know that in a parallel universe it would not be the same without you.

Please join us this Sunday as we continue to grow, bond, love, and bless the world as a leading ministry of the Gospels.

As a reminder, Unity Center of Stockton continues to follow state and local public health agency requirements for mask mandates. We ask that everyone abide by these requirements to ensure safety for all. Masking is now a choice for vaccinated individuals, but still required for unvaccinated congregants.

Please join us and add to our circle of love and awareness of our divinity.
