A MESSAGE FROM REVEREND TONY

Hello My Friends,

We continue to flourish and bless our new home with overflowing gratitude for the leadership and volunteer construction crew!

Last week, Rev. Merry Ann blessed us with her talk about navigating an ever-changing life. This week we glance and explore the comparative lives of Jesus and Buddha. Although born more than 500 years apart, the parallelism of Jesus and Buddha was so great, they could have been brothers! This is an example of how the truth has been woven into many cultures and languages over centuries with the same message!

Please join us this Sunday as we continue to grow, bond, love, and bless the world as a leading ministry of the Gospels.
